## 2018 CALL FOR NOMINATIONS

### **Continually Moving Forward Award**

The Continually Moving Forward award recognizes the huge amount of work and struggles that an individual goes through on their path to recovery. To win this award, an individual needs to demonstrate awareness of their illness and take great strides to find quality of life and recovery. For some, promoting hope and recovery may include staying well, gaining employment, going back to school, or being a role model for other people with mental illness.

*This award is for individuals with lived mental health experience.*

### **Above and Beyond Award**

The Above and Beyond award recognizes those who have consistently worked with individual(s) with mental illness in a way that puts the person first and uses recovery-based, supportive, innovative and progressive approaches to care.

*This award is for an agency, or a service provider or a caregiver/family member.*

### **Susan Marshall Memorial Award**

This award recognizes an individual that was an inspiration to us all. As most of you are aware, we lost our most powerful advocate in March 2016. This award is given to an individual who has continued in Susan's role of advocate and who has the ability and willingness to be selfless, creative, and innovative. This individual continues to inspire, promote hope and recovery for themselves and others.

*This award is for a consumer and/or family member who is actively employed in the field of mental health and/or addictions or is a member who has volunteered in promoting mental health awareness and is a strong advocate for wellness and recovery.*

The Nomination Committee will meet to review all submissions and make their decision based on the fulfillment of the criteria as mentioned. To ensure your recommendation is considered, please complete the attached nomination form and submit it to the committee by August 31, 2018. You may choose to name an individual(s) in any or all of the award categories. Please remember to include your reasons for nominating this person and any additional information that may help the committee with its decision.

If you feel comfortable, please include your name and contact number. The committee will contact you if they require additional information.

**Anyone** can nominate **any person** who they feel meets the criteria of the three categories. Please nominate as many people as you wish, for as many categories as you desire.
